SOLAR PARK VISIT BY THE ENVIRONMENTAL MANAGEMENT AUTHORITY

Airports authority of Trinidad and Tobago (The Authority) was honored to host the Environmental Management Authority at our solar park, Piarco international airport, for a hands-on-session of Solar and Wind Farms training on July 3rd, 2024. The training was facilitated by Dr. Carlos de Dios, Dr. Alberto Ramos Milan and Mr. Fernando Marti.

AIRPORTS AUTHORITY'S COMMITMENT TO GREEN INITIATIVES AND SUSTAINABLE ENERGY

Our solar park, generously funded by the EU, is only one step towards a brighter, greener future. The authority is dedicated to leading the way in green initiatives and sustainable energy.
